

West Hollywood is Karina's world, a place where a beautiful Russian werewolf can hide in plain sight. It's also the place where the werewolf hunters seek their prey. A large Russian immigrant population thrives in West Hollywood, California. West Hollywood is also Karina's world, a place where a Russian werewolf can hide in plain sight. It's also the place where the werewolf hunters seek their prey. Karina opens her private investigation office and gets her first paying case when Vanya Rykov, the retired Alpha from her old pack, is arrested for the shooting death of a werewolf hunter, a man who has longtime connections to her own family. It is up to Karina to prove his innocence, but Vanya is not talking. As she begins to investigate the murder, Jack Hardy, her boyfriend and a new werewolf who is rising into his full Alpha powers, gets a job that pits them against each other, professionally. Jack's job as a special investigator for the D.A.'s office means that it is up to him to gather evidence to prove Vanya's guilt. When Karina's investigation takes her to Chinatown, danger and international intrigue, in the form of old enemies, join with new enemies to threaten her safety and the possible unveiling of her grandmother's deep, dark secret. When Karina comes face to face with the most evil werewolf on the planet, she has to think on her feet and fight for her life. Add to this a werewolf pack that wants Karina back, a sizzling romance with two strong leads, and a pulp fiction-ish fast pace that keeps the reader engaged with the story revealed from different points of view. Oh, and there's a big twist of history. WEREWOLF RISING continues the urban fantasy paranormal romance series with a fast-moving new adult genre storyline and likeable characters for werewolf fiction lovers. WEREWOLF RISING is a full-length paranormal romance novel at 40,000+ words and is the second novel in the WEREWOLF DETECTIVES series. WEREWOLF UNLEASHED (Werewolf Detectives #3) will be released in mid-2014.??? ABOUT THE AUTHOR Eve Paludan enjoys her creative lifestyle, where she writes fiction (more than a dozen novels to date) and edits novels for other bestselling authors. She enjoys reading mysteries and paranormal romance, scenic photography and travel. Please follow paranormal romance mystery author Eve Paludan on Facebook, Twitter, and on her self-named website. Suzanne Wilson was born in 1965 on an Army base in Texas. She was raised in California, mostly in the Central Valley area. She has three children and three grandchildren. Malevolent Decisions was Suzanne's first novel, and is the first in a three-part series. Werewolf Interrupted and Werewolf Rising are her second and third novels. She has been working as a nurse for over twenty years and resides in Hanford, California. Please follow paranormal romance mystery author Suzanne Wilson on Facebook and Twitter.??? Review Excerpts of WEREWOLF INTERRUPTED (Werewolf Detectives #1) The paranormal world of werewolves was believable, chilling, had nice tension along the way, and zapped the past into the present in an unexpected way. Messing around with history is always a risk, but this author has done it quite well. On the points of storytelling and genre expectations, this book hits both with equal skill and creativity. - Maryann Madsen What happens when the secrets start to unravel and danger unfolds? You will have to read the book to find out but there won't be any disappointment here. The story is focused and very well written. There is even an interesting twist on Russian history. Fast paced and fun. - E Finn I Karina is a sweet, caring werewolf who will surprise you with her strength and determination to do what's right. This is a must read. Be prepared to read from beginning to end. It's hard to put down. - Dee
